

Applications are invited from highly motivated and dynamic candidates for the temporary position of Project Assistant under an industry–academia collaborative project involving Nitta Gelatin India and IUCBR & SSH. The initial appointment will be for a period of six months and may be extended based on performance and project requirements.

Position: Project Assistant

Eligibility: Candidates must hold a postgraduate degree in Biological Sciences, including Biochemistry, Biotechnology, Molecular Biology, Microbiology, or related disciplines. Hands-on experience in animal cell culture is essential.

Job Responsibilities: The selected candidate will be responsible for conducting in vitro experiments, nanoparticle synthesis and characterization, and handling associated documentation and reporting tasks.

Fellowship: ₹25,000 per month (consolidated)

Application Process: Interested candidates are requested to send their CV to careeriucbr@gmail.com with the advertisement number in the subject line on or before 28 July 2026.
